Subject: RE: SEMS SCAP-02 Reports
Attachments: FW: 5YR Issues / Recommendations and Work Enforcement Instrument Compliance Updates Due Friday, April 22, 2022

Hi Lynn,

Lilian Abreu is now the current RPM for the Triple Site, if you can work with her for the sites:

- TRIPLE SITE [OOU]
- ADVANCED MICRO DEVICES, INC.
- SIGNETICS, INC
- TRW MICROWAVE, INC (BUILDING 825)

I will go ahead and take a guess that it will be helpful if you can sent Lilian the current SCAP-02s for updating. I believe Art will soon be updating SEMS to reflect Lilian as the Triple Site RPM.

I will follow-up separately with you for the remaining sites that I am RPM for.

Thank you,
Michael

Subject: SEMS SCAP-02 Reports

Hi Michael –

I hope you are doing well.

I work with Kevin Castro, updating site schedules in SEMS.

If you would like me to send the current SCAP-02s of your sites for review and updating, let me know.

The following sites are assigned to you in SEMS:

ADVANCED MICRO DEVICES, INC.
NTERSIL INC./SIEMENS COMPONENTS
SAN FERNANDO VALLEY (AREA 4)
SIGNETICS, INC
TRIPLE SITE
TRW MICROWAVE, INC (BUILDING 825)

Thanks

Lynn Ray
